ALEXA SETTINGS

Step 1: Install the Amazon Alexa app via the App Store (iOS) or the Play Store (Android) and register. If you already have an existing account with Amazon Alexa, please proceed to logging in.

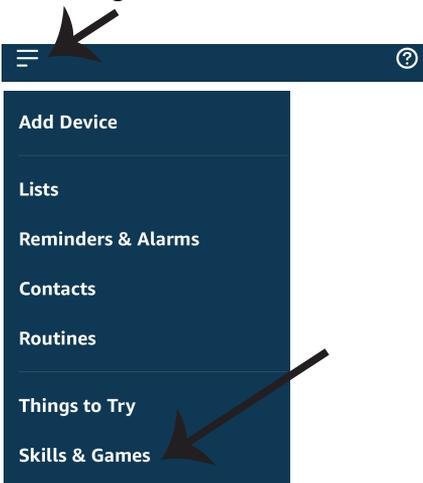

The screenshot shows the Amazon Alexa app's login screen. At the top, there is the Amazon Alexa logo. Below it, the word "Login" is displayed. To the right of "Login" is a link that says "Forgot password?". There are two input fields: "Mobile number or Email" and "Amazon password". Below the "Amazon password" field is a checkbox labeled "Show password". A blue "LOGIN" button is positioned below the input fields. At the bottom, there is a link that says "New to Amazon?" and a button that says "CREATE A NEW AMAZON ACCOUNT".

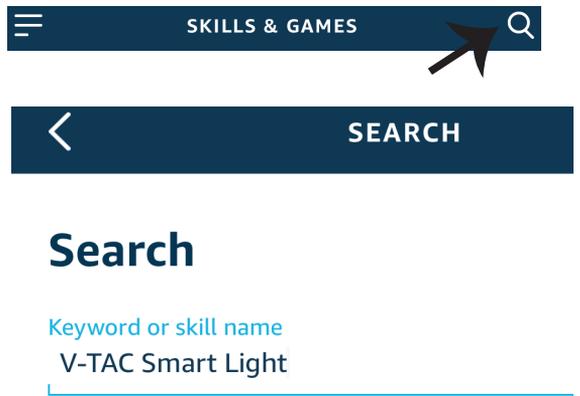

Step 2: Once you are on the Amazon Alexa home page, tap on the lower right icon — where the arrow is pointed — to add a new device and skill.

Step 3: Tap on  settings and tap on "skills and games" as shown below.

Step 4: Search for 'V-TAC Smart Light' on the "Skills & Games" page as shown below.

Step 5: Enable the Skill.

Account linking in progress

Step 6: Enter your V-TAC Smart Light login ID and password and tap on "Link Now"

 +1
